

ALL-AMERICAN NOMINATION RULES

Closing Date: March 1

The American Nigerian Dwarf Dairy Association **ALL-AMERICAN PROGRAM** is a means of recognizing those Nigerian Dwarfs who have been proven in the show ring. An All-American and Reserve winner will be chosen in each class.

3. Winners will be selected by an official AGS, ADGA and/or CGS judge chosen by the All-American Committee.
4. The AGS, ADGA or CGS show which qualified the nominated animal must be listed on the official entry form. Classification scores, DHIA records, etc. written on the form will disqualify the entry.
5. **One side view picture is required.** It is preferred that a rear view, a top view, and a front view also be provided in order to give the judges a more complete view of the animal. **Please submit only one picture per view.** If handlers are visible in the photos, they should not be identifiable. Any identifying information on the photo itself or copyright information will disqualify the entry. **All photos must have been taken during the year for which the animal is nominated, and close to the age of the class entered (Example: A junior kid photo should preferably be taken when the kid is still under 3 months).**

7. It is the owner's responsibility to verify the accuracy of all information provided on the entry form. Any entries found to be fraudulent will disqualify an animal either before or after the competition.
